

CSU and IT Masters Partnership

Martin Hale – CEO IT Masters Pty Ltd
Jason Howarth – Course Director CSU

*University or IT industry certifications?
Why not both...*

University Master degree

**IT Industry
Certifications**

CSU PG Computing 2002

- Faculty of Science & Agriculture
- School of Information Studies
- Head of School Ken Dillon

- Dean Jim Pratley
- CSU 15th in the sector for PG computing courses
- 2.7% of the domestic IT PG market

IT, PG, DE - 2014

Now

- ~15% of the PG IT sector
- Combined with Study Centre enrolments, now the national leader in IT postgraduate (domestic and international)

How did it happen?

CSU / ITM Milestones

- March 2002: ITM approach CSU
- Oct 2002: Master of Networking & Systems Administration launched

CSU / ITM Milestones

- T1, 2003: first intake
 - 190 Applicants = 91 students
- T2, 2003
 - 240 applicants = 131 students

CSU / ITM Milestones

- 2009: CSU takes over market leadership of IT, PG, Domestic, Part time segment (i.e. Aussie IT professionals)

Why CSU?

- Limited success in the target segment
- Sophisticated DE platform
- Innovative
- Responsive
- Quick to market

Innovation to CSU

- Webinar lectures (WebEx) in 2006
- Online exams (Prometric) in 2004
- Market awareness
- Course innovations
 - Master of Mobile Applications Development
 - Graduate Certificate in Industry Computing
- Code Camps
- Proactive admissions

Code Camp OZ

Why still CSU?

- Ability to maintain a true Partnership relationship:
 - Win-Win
 - Responsive
 - Inclusive
 - Trust
- Working directly with the Schools and Course Directors
- Partners

Key success Factors

- Clear differentiator
- Targeted, sector specific products
- The Alumni
- Database Marketing

Challenges

1. Green field, DE competitors
 - Deakin Digital, Swinburne Online, etc.

Secret Shopper:

- Sophisticated front end
- Sales (i.e. Admissions) generally poor
- Limited on-going prospect engagement

*** We need to significantly improve marketing if we want to retain market leadership**

MOOC Update

[Contact IT Masters](#)

Enrolments: 142,594

[AREAS OF STUDY](#)[APPLY](#)[AM I ELIGIBLE?](#)[ITM INSIGHT](#)[ABOUT IT MASTERS](#)[CONTACTS](#)

MOOC Update

- 332 MOOC enrollees have applied. Offer acceptance rate is normal
- On average, MOOC enrollees have been in the Database 10 months before applying
- Where we are able to track lead source, 61% of new students are via MOOCs
- 12% of MOOC enrollees who have applied as OS

Challenges

1. Green field DE competitors
2. 'Offer to converted student'
conversion rates
